中华人民共和国对外经济贸易部副部长

贾石先生阁下：

感谢你一九八三年十一月十七日关于美国向中国出售高级技术问题来函。贵国政府通过对外经济贸易部作出安排以保护按照出口许可证向中国出售的敏感设备和技术未经批准不转让给第三国，我国政府对此表示赞赏。贵方作出的安排，和与其它友好国家之间的安排一起，有助于保证美国售出的先进技术将能得到充分的保障，而不被再转让以致可能影响美国的国家利益。

我国政府认为这些步骤表明中国政府关心此事，并认为这是美中技术交流发展中十分积极的一步。

致以诚挚的敬意。

His Excellency
Jia Shi
Vice Minister
Ministry of Foreign Economic
Relations and Trade

Excellency:

Thank you for your letter of November 17, 1983 on the subject of U.S. sales of high technology to China. My government appreciates the arrangements which your government has put in place through the Ministry of Foreign Economic Relations and Trade to protect sensitive equipment and technology sold under export license to China from unauthorized transfer to third countries. The arrangements which you have instituted, along with those we have with other friendly countries, help ensure that sales of advanced technology from the United States will be adequately safeguarded from retransfers which could potentially have an adverse effect on U.S. national interests.

My government views such steps as an indication of the Chinese Government's concern in this regard and as a very positive step in the development of U.S.-China technology exchanges.

Sincerely,

Arthur W. Hummel, Jr.
Ambassador of the
United States of America
